Welcome visit to ancient site of Xty. in Ireland, etc.

Central feel of HTS - is give thanks. Part of Xty. worship to be thankful. But is it realistic?

For what are thankful?

Often thank - thankfulness can become selfish & narcissial.

Facts of world. Hunger. Homelessness. Need.
e.g. Nigeria.

Thailand - boat people.

We do not know what real need is - do we?

Not hungry - not homeless.

So for what are we thankful to-night?

Bp. Wilson of Birmingham.

Singapore - prisoner - "For a love I
will never fully understand..."

This is the core of our thanksgiving.

This is Xty. reality.
